

## **Lab Report Instruction**

For each lab, please follow the lab manual instruction.

- 1) At the end of each lab activity, please screenshot your lab results in the coding IDE.
- 2) Then, paste all the screenshots into a document,
- 3) Name your lab as “ YourLastName\_Lab\_X\_Report”, such as “Wang\_Lab\_2\_Report”
- 4) Convert it into a PDF file to upload in the D2L.
